Membership Dues

The friends of the Chelsea Public Library are men and women who believe that the Library, books and reading are important to everyone.

The Friends provide material support for the Chelsea Public Library. We purchase books, museum passes, audiovisual materials and support special programs so that our Library will continue to grow in an era of tightly constrained budgets.

The Library is a center for intellectual and cultural growth and plays a vital role as a community center. Won't you help us keep it this way?
